RE: Fath vs American Honda Motor Co. Case No. 18-cv-1549

To the Court,

I wish to comment on this case. At this time I have no claim for any loss, however I wish to receive the extended warranty and have the right to sue if a loss does occur in the future.

I have reviewed the Settlement Class definition, and understand I am a Settlement Class Member

I do not object, since I have no loss at this time.
